Is Genesis History DVD

Dr. Del Tackett of "The Truth Project" hikes through canyons, climbs up mountains, and dives below the sea to explore the truth behind the history recorded in Genesis. If you would like to purchase a DVD or Blu-Ray at a pre-release sale price, please contact Elizabeth today. DVDs are \$15 and Blu-Rays are \$19 each.

Is Genesis History? is a comprehensive documentary featuring over a dozen scientists and scholars looking at the world and explaining how it intersects with the history recorded in Genesis. From rock layers to fossils to lions to stars, this fascinating film will challenge and change the way you see the world. Is Genesis History? shines new light on our origins, providing a positive argument for Biblical Creation and the Flood. Dr. Del Tackett, creator of The Truth Project, serves as your guide—hiking through canyons, climbing up mountains, and diving below the sea—in an exploration of two competing views ... one compelling truth.

You're Invited!

You're invited to attend a home group! Home groups meet about once a week and gather for worship, Bible study, prayer, and fellowship. There are a number of home groups to choose from and the meeting times are listed on the back of the bulletin.
